- (b) There is a 20 percent penalty on any understatement of taxes due if the understatement exceeds either 10 percent of the tax determined to be due or \$2,000, whichever is the greater. An understatement of taxes is the difference between the amount shown on the original or amended return and the amount of tax determined to be due as a result of an audit or review.
- (c) Interest of 1.5 percent per month, or portion of a month, will be assessed on a late return or late payment, without regard to any extension.
